Dear Mr. Brackman:-

It is now more than a month since you telephoned me requesting the negative of my OLD HOUSE, ROSITA COLORADO. You told me over the phone that you would return it in a few days.

I was very reluctant to send out this original negative and I am somewhat concerned that it has not been returned and that I have heard nothing from you at all regarding how this was to be used, the fee, etc.

Will you please let me know at once about this matter? I should also like a list of all the material of mine that you still have on hand. I think I must have lost some records during the period following the war and my move to Santa Fe. I wish very much to know just where certain prints are.

Thanking you for your immediate reply, I am

Very truly yours,
