Dear Mrs. Brackman:-

It is now more than two months since your first communication regarding the photograph of THE OLD HOUSE, ROSITA, COLORADO for which you requested that I send you the negative. This was returned to me after some time, and you wrote that you were crediting my account with \$75. for the sale. Surely this must have been paid by now.

I requested some weeks ago a listing of work of mine you had on hand. I have found a note from my 1945 trip to New York which was the last time I was in your office. This was just after the war and at that time you told me that most of my work was out for consideration. I have never heard anything from you until the telephone call some two months ago. I do want some record of what you have, or may have sold, before I send in anything more. Also I shall have to communicate with another agency which has some color work of mine on hand, as to whether they have any objection to my sending in other material to you.

Please may I hear from you very soon?

Very truly yours,
