Dear Mr. Covington:-

Thank you for your letter of January 18th regarding my color transparency of the Colcha which was used on the back cover of the New Mexico Magazine. I shall be glad to grant Mr. Dowell the use of the transparency for Christmas Card use( personal). The fee would be \$25. for this use, with the return of the transparency. This is a very nominal charge for private use. I did not know that Governor Mechem had used the picture, I was not consulted about it, and I should have objected tousing only a part of the picture. I am surprised that Mr. Fitzpatrick did not communicate with me.

Thanking you for your enquiry, and hoping that this will be satisfactory to Mr. Dowell,  
I am

Very truly yours,
