Dear Mr. Friendly:-

Your letter of December 10th reached me yesterday, and I shall be most happy to accept your invitation for the Photography Exhibit for next May. I have noted all your specifications and will comply with them. This is the kind of exhibit I like particularly and shall be very happy to prepare the best I have for you.

My special regards to Walter Goodwin when you see him. I am delighted that he maintains his interest in photography. I have never been to Tucson, and I shall do my best to come down while this Exhibit is up.

Sincerely yours,
