Dear Sandro:-

I have your enquiry about photographs
for your friend in Poland.

Of the list of 8 photographs I have negatives
but no prints on hand of the following

1. Mask nothing but would make one
2. Dancers yes
3. Costumes yes in dñaces and possibly other
4. Katchina yes
5. Old House (Pueblo or Navaho?
6. New House (Exterior or interior?)
7. Pottery yes
8. Basket (would have to make)

I assume that you mean black & white on all of
this? As you see I have negative material of
most of these subjects but I would have to make prints
of all. Have you any idea of payment for such from
Poland? I would make a minimum charge only.

I had a letter some months ago from an Italian
Architect friend of yours requesting certain material
for a book. I quoted him prices but have never heard
anything further from him.

Sincerely
