Mr. Zera Hardyman,
VALLIANT PRINTING CO.
P.O. Box 1304
Albuquerque, N.M.

Dear Mr. Hardyman:-

Busy days have prevented my acknowledging the arrival of the monographs for the Indian Arts Fund. They are very nice indeed, and all the committee were much pleased.

I have been looking for an estimate from you on the cover, which I understood you would send me. The printer here failed me on the plates of reproductions and they are not yet finished. But now there is no hurry. I want the job done right.

I shall be away over the fourth for several days, and if you can get the estimate etc. to me by Monday, perhaps we can get the order in before I go.

Thanking you very much for your excellent work and cooperation, I am

Very sincerely yours,
