Mr. Zera Hardyman,
THE VALLIANT PRINTING CO.,
P.O.Box 1304
Albuquerque, New Mexico.

Dear Mr. Hardyman:-

Your quotation reached me only Friday morning, so I was unable to give a report to the Indian Arts Fund Board at the Thursday meeting. Mail between Albuquerque and Santa Fe is notoriously slow.

You did not give me a quotation on 2500 portfolios; this being the number of monographs you printed for us for this job. Will you send me the price on this figure also including the cost on making the plates from the drawing and the hand lettering which I left with you. Also I want to see a sample of the color and weight of the stock. We want to complete this whole job as quickly as possible, all the delays have been most unfortunate. The printere here who is making the plates still has not completed his part either.

As soon as I see the sample of the stock and get a full and final gotation we will be ready to complete this as quickly as possible. You might also send me a quick sketch for placement of the plates for theis cover.

Hoping to hear from you at an early date, I am

Very truly yours,
