Dear Mr. Michaelson;

Thank you very much for your kind letter. And I appreciate your remarks about pride of work, for there can only be one standard when all is said and done. So I think the only thing we can do is to compromise. I enclose a statement of cost on the picture, \$15.00, and I enclose herewith my check for \$15. This is the only way I can do it. So please cash this and we will call it square.

I hope that at some future time, another job will come along with sufficient time to produce a really good job.

Sincerely yours,

ROBERT MICHAELSON
