Chicago, Ill.

Dear Mr. O'Connor:-

Your letter of Oct. 29th only reached me late Saturday. I enclose my check for \$4.30 as indicated in your letter plus \$15.75 the regular quarterly payment, and the signed enclosure, will I trust reinstate my policies. I certainly regret that something went wrong. Certainly my letter to your office of May 7th must have been lost for I have the carbon copy here. Your new agent from Albuquerque did not fully explain this change of policy to me and when it came through, I did not wish to add it to my others.

I trust that the enclosed check et al will straighten everything out. I have had these policies with you for over ten years and wish to keep these in force.

Very truly yours,
