Dear Chester Sprague:-

Thank you very much for your letter. I have been hoping to hear from you with the list of the Wittick negatives. I shall get at all of this this coming week. I had another call on a Wittick photograph and found that those copy negatives were just not good at all. I shall get permission to use the original negatives. As per your list there are thirteen to be done.

As to my Navaho Summer Hogan, what size print would you like? 8x10, 11x14, or 16x20? I can make it whatever you wish. Did I make you a price on this in any specified size? I don't seem to remember, and the only notes of our conversation that I have refer only to the 2 Pueblo negatives and the Witticks. Of-course I will mark the number of each Wittick on the back.

I hope that you have had a successful tour on the work for your publication. I shall look forward to seeing it. With best wishes to you both, I am

Sincerely yours,
