Smithfield
Nebraska.

Dear Mr. & Mrs. Stuart:-

In answer to your request regarding Mrs. Stuart's sister, Elizabeth W. Forster, I wish to state that Miss Forster has been residing with me in Santa Fe, New Mexico since 1947. She is an invalid and unable to work. She has in addition to the check that you send her monthly, an additional income of \$82.72 monthly from an insurance policy left to her by her brother, and a small dividend from a few shares of stock, combined.

I trust that this is the information that you needed to have.

Very truly yours,
