

Dear Miss Kilpin -

The fact that
your books on the Rio Grande
and the Pueblos are out of
print is quite unbelievable!!!
It seems also unfair since I
have not yet recovered from
the disappointment of your
talk scheduled in Santiago's
Market being rained out this
July -
I thought of writing to Tads

then it occurred to me that
you might have copies or copy in
your studio shop. I would like
to have one of each, two of the
Rio brand, if available.

May the enclosed card save
you an extra gesture and perhaps
hasten the reply I am so eager
to receive.

With admiration and appreciation,
Hedra Lyman
