Dick & Judy Noyes

November 9, 1962

Dear Miss Gilpin,

Thank you so much for your nice note. I am so sorry about giving out the wrong information (or premature, anyway) on the publisher of your book. I should have cleared it with you first.

We hope it won't be very much longer before your book will be out; we know there will be tremendous interest in it.

Do stop in next time you're up here.

Best regards,

Judy Noyes

Judy Noyes
