Box 1173
Santa Fe, New Mexico

Dear Laura:

Thank you for your prompt attention to my problems.

I think it is much better for you to send black and white photographs and we will have the slides made. We will return the photographs to you after we have made our slides.

If you want to put a notice in the Santa Fe papers at a later date, it is fine with me.

Our best wishes.

Cordially yours,

N. A. Owings *NS*
