Miss Laura Gilpin,
Box 1173,
Santa Fe, New Mexico.

Dear Miss Gilpin,

When you returned my color transparencies, color prints, and pictures in the fall, you attached the following little note that I am enclosing - "original of jumping horse to follow". This was a picture of Lesa Ingram, 1515 South Madison, Roswell, New Mexico, on her horse.

I may have written you direct asking you to send it to her in Roswell, I cannot remember. However, I will be in Roswell this week, and after talking with Mrs. Ingram over the phone today, she says that she did not receive the transparency.

This was not a 4"x5" transparency, but one that you made with a smaller camera. Would you please check on this and let me hear from you at your earliest convenience.

Yours very sincerely,

Newcomb Rice
