Miss Laura Gilpin  
Box 1173  
Santa Fe, New Mexico

Dear Miss Gilpin:

I am returning all of your working material together with a copy of DEATH VALLEY. This will give you an idea of how much copy we can get on a page. Of course, if you write more we can reduce the size of the type.

We all look forward to seeing your finished manuscript and choice of photographs.

Regards,

*Ward Ritchie, per Ed*
