Miss Laura Gilpin
Box 1173
Santa Fe, N. M.

Dear Laura:

I have been looking forward to seeing you so that I could thank you personally for your extremely kind letter of May 15. I am sure you know Jim Forrest well enough to know that the close cooperation between the Indian Arts Fund and the Museum can only prosper under his directorship.

I will hope to see you before long but in the meantime thanks greatly for your good letter.

Sincerely,

K. Ross Toole
