

Lula - 8 December '63

Dear Miss Gilpin,

The beautiful set of prints arrived in perfect condition and I am indeed enjoying looking at them. Hope you had a happy trip to the Reservation. I am already looking forward to next summer & my projected trip all through that area for the first time - Discovery!

I do hope you can get the to Albuquerque soon to get the heavy backing cloth for the portfolio - soon after Christmas, as the beautiful photographers do need a portfolio.

I am planning to come to New Mexico sometime during the cold weather months - maybe next Saturday the 14th for Shalako - or maybe for a few days

just prior to Christmas - or maybe
in January. We always wanted to see it in cold weather.

I hope you have a pleasant
Christmas Holiday season. I have
always heard that Santa is very
very beautiful during Christmas time.

Sincerely yours,

Gene Adams.
