Dear Miss Gilpin,

Mr. Ritchie has asked me to write to you to see how you are progressing on your Navaho book. We would like to have it for our March 1964 publication, and this means that we should have the manuscript sometime in September. Would you let me know if this is possible without pushing you too hard. Otherwise, we can hold it for a fall 1964 book.

Very sincerely,

Caroline B. Anderson
