Miss Laura Gilpin
INDIAN ARTS FUND
409 Camino del Monte Sol
Santa Fe, New Mexico

Dear Laura:

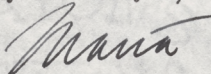

I thought I would get back to Santa Fe this week, but probably cannot for several weeks.

Would you let me know, or put someone in touch with me from the INDIAN ARTS FUND, about the pottery which I have put on loan with them? I should have an itemized receipt, with Marjorie Lambert's appraisal attached (preferably in duplicate) so that if I make a permanent gift to the FUND, I will have some record for tax purposes .

I am seriously interested in helping the FUND and would like to know its legal status for tax exemption; I should also be an active member of it, but I do not know to whom or where to write -- except to you.

The talk at the Galeria with you was most satisfactory.

My best to you,
