Post Office Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

The enclosed 4 x 5 print illustrates the way we propose to print your recent order for 130 4 x 5 Christmas cards.

We were unable, because of your cropping requirements, to expose these on the machine print basis. It has been necessary to run them in the conventional enlarging equipment. The price in this instance would be .75¢ per print, net.

If this is satisfactory, please return the proof, and we will proceed with your order.

Sincerely yours,

MEISEL PHOTOCHROME CORPORATION
