Miss Laura Gilpin
P. O. Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

Once again, we are enclosing a proof print for your okeh. This time, it has been made on the machine. As you will note, it does not conform to your exact cropping specifications but is the closest that can be obtained on a machine print basis.

Please return this to us if you wish us to proceed on this basis.

Sincerely,

MEISEL PHOTOCHROME CORPORATION

Clark B. Cooper
