Re: St. Paul #966JA8262

Dear Miss Gilpin:

We are pleased to enclose St. Paul draft #5531111 in the amount of \$45.00 in payment of the radio stolen on August 22, 1963.

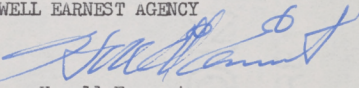

Since the radio was approximately two years old and the original cost was \$49.95, the company has deducted \$4.95 as depreciation.

You will note the draft is made payable to you jointly with Elizabeth Forster, and must be endorsed by both of you.

We sincerely trust this settlement of your claim has been handled satisfactorily.

Very truly yours,

HOWELL EARNEST AGENCY
