Miss Laura Gilpin, Photographer
Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

Thank you most sincerely for sharing your concern with us regarding an article on La Conquistadora. Although the ceremony is mentioned in the article on Santa Fe, it is not planned to include a special one in the Encyclopedia. Actually, an unsolicited article on this subject has for some time been in what we refer to as our "filler file" or stockpile. Nevertheless, we appreciate your interest, and admire what you wrote and published about La Conquistadora.

Before Sister Judith began a leave of absence she remarked to me that she had appreciated meeting you in Santa Fe. It was her thought that you might provide a few of the Spanish American group activity pictures. We look forward to receiving them when you have met your deadline and have time for the task.

Most gratefully,

(Miss) Alice Ford
