Mr. Alexander Girard,
Santa Fe, N.M.

Dear Sandro:-

I have had a request from Mr. Masley of the Art Education Dept. of the University of New Mexico for slides of the Nacimiento Exhibit. As you know I made one set of color negatives on the exhibit for duplication purposes.

I have cleared the request ~~from~~ with the Folk Art Foundation, and now wish your O.K. to proceed with this order. Mr. Masley has not yet stated just how many subjects he wishes, but he did say that these were to be for classroom use only. I have requested the list from him and should hear from him shortly.

My best greetings,

Sincerely
