Mr. W. Wade Head,
Area Director,
Bureau of Indian Affairs,
Gallup, New Mexico.

Dear Mr. Head:-

I am very anxious to obtain a copy
of the NAVAHO YEARBOOK, Report No. 8. 1961.

For some years I have been working toward the publication of a photographic book on the Navaho people. This is now nearing completion. This summer I am at work on the text and as this report is a mine of information, I am most anxious to have a copy. I do not know if this book is for sale, nor what is the cost, but I would appreciate hearing from you in this regard.

Various members of the Tribal Council have seen the working dummy of this project of mine and I have been very gratified to feel the people strongly behind my effort.

At the moment I am using a borrowed copy of the Year book, but its owner is requesting its return, and I should have one for my own files anyway.

Thanking you very much for your assistance, I am

Very truly yours,
