Dear Mr. Masley:-

I am very sorry to be so long in answering your letter regarding the slides of the Nacimiento Exhibition at the Dolk Art Museum. It has been necessary for me to clear everything and all parties concerned have been away, hence the delay.

I am yet awaiting final clearance from Mr. Girard. In the meantime will you please send me a list of the subjects you wish. I photographed the 71 wall exhibits on color negative material facilitating the easy making of duplicates. I also did them on Kodachrome. I found far greater latitude on the color negative material on some of these very contrasty subjects. In addition to the wall exhibits I also made several group transparencies of the central exhibit.

Just as soon as I hear from you and receive word from Mr. Girard, I shall order the duplicates you wish immediately.

Very truly yours,
