Dear Sirs:-

Enclosed please find some Kodacolor snapshots with order stated on back of each proof which you made for me some months ago. At last I have the order for these. Please make the best possible prints you can. The last catalogue I have of yours lists only one page for Ektacolor portrait prints. (Aug. 15, 62. price list). If you have a later one please send me one.

In this box also is one 2½x3½ transparency. I want one 5x7 printán print.

As I am not sure of the price on these, send them C.O.D.

Very truly yours,
