

Dear Mr. Norton:-

Thank you very much for your letter of October 30th. Your price for the Sand Painting work is satisfactory and I am most anxious to proceed with this.

Several things have arisen to prevent my coming over on the 12th. Miss Forster, who used to be the nurse at Red Rock long ago, lives here with me. She is now quite an invalid and this trip at this time of year would be too much for her. Finding someone to be here with her is difficult. Her sister and brother-in-law are coming from Nebraska to spend Thanksgiving with us. I am writing them to see if they can come by Nov. 20th so that I can go over for these last pictures. Would some time between the 20th and 26th be possible for you?

I am sorry to make any change in your schedule but I guess this will have to be under my circumstances here. I am ordering some special film for this particular work and this will be here by the 20th, or a few days before.

I am writing to Miss Forster's sister with this mail and should hear from her in a few days. When you receive this would you telephone me collect so that we can set a final date. My number is below.

Sincerely yours,

Telephone number
Santa Fe, 982-0032.

You can usually catch me in the evening or during the noon hour.
