

Nov. 20

Dear Margaret:-

Many thanks for your letter. The type is being set and I hope to insert a proof when I go to town. Also I enclose a sample of a good stock which I have on hand to be cut to proper size- to fold to 5x7. The order for the prints went off the day I got your letter. I followed with a quick addition of 25 copies.

I am off today for those last Navaho pictures. The prints will be here by the time I get back and the folders should be ready also. If you will O.K. the proof and send it back to the printer in the enclosed envelope.

Now, here also are the last proofs on the house. I hope you will be pleased with them. I have numbered them in order, and please return the proofs as I shall need them for reference. I hope you will like all three of the last lot.

Please excuse a hasty note. Betsy's sister & brother in law have arrived and I am off in an hour.

No hurry about the Indian Arts Fund as the first meeting will be in early December, but I shall call this as soon as I get home Nov. 27. Have lots of new thoughts on the use of this and I shall write later, but all of course to do with the costume collection.

With the best of wishes,
