

Augt. 19,

Mr. Nathaniel A. Owings,
100 Alta St.,
San Francisco, California.

Dear Mr. Owings:-

The prints have just been sent via airmail to Mr. Belden. Very sorry that there was a delay, but you struck me at a very busy moment and more time had gone by than I realized.

For several w eks I have been trying to get work caught up to get out to the Navaho country, and new work plus the rainiest summer we have had in many many years, keep putting me off. I have never seen New Mexico so beautiful.

I am certainly sorry if the brochure we made didnt bring results. I hope it wasnt the fault of the brochure.

It will be nice indeed to have you both back. I shall be gone about ten days or so but will surely be back early in September.

I enclose the bill for the set of glossy prints. I dont know whether this goes to you or to Previews. I have done other jobs for them in this area.

With best wishes to you both,

Sincerely yours,
