Dear Mr. Wilkinson:-

Herewith please find the final  
8x10 color transparency of the Rebecca James Exhibition.  
Also a black and white of the gallery. I tried one  
with lots of light in the gallery, but it was very  
characterless and lost all the quality of this particular  
instalation.

No, we made no arrangement about the garden pictures.  
Just send me your regualr price for those you select  
and please return those you do not wish to use. I  
enclose a statement for the big job.

Sincerely yours,

September 16,
