Dear Mr. Wilkinson:-

I have just returned from a ten  
a ten day field trip, and find your letter of  
the twentieth. I asked in one letter about  
the other transparencies but had no answer.  
I have ordered some sleeves and as soon as  
they come, I will send you the other sets.  
These should be along in a few days.

Sincerely yours,

KIRK WILKINSON
