Dear Mr. Young:-

Thnak you very much indeed for seinding me the copy of the Navaho Year Book. It is a most tremendous source of information and I am most happy to have one of my own. You did not enclose a bill so I do not know what to send you.

I am expecting to come over for the Ceremontal as there are a lot of things I want to check and people I want to see, and I hope very much to meet you at that time. At the moment I am working hard on the text and will hope to have it well along by the time I come over. I will, orcourse, have my dummy with me.

Thanking you for your cooperation, I am

Very sincerely yours,
