Dear Laina:

E. Boyd has sent you bill for the Transparencies to me for payment, according to our agreement. Enclosed is my check for your bill as it stands because you have done the work —

However, there may be a change, as E. suggests 4 for the inside of the catalogue instead of 3 as originally planned. This, with the cover would use up 5 of the Transparencies instead of 4 — leaving one transp. for black & white. As your bill shows —

I have suggested to E. to use all 6 for color illustrations leaving out the black & white — & using instead the 6th transp. inside the back cover. She will explain — I do not yet know if she will go along with this plan — if so it may change

your bel - maybe all over you now!
Anyhow, whatever is used ~~will~~
here is my check and if any adjustments
are necessary we can make them
later -

Thank you for wanting to give me
"2 colors - one as black + white" - it
is good of you -

Do see E. Boyd and learn what
he now has in mind in terms
of what I have written her -

affly -

Rebecca James

I wrote this a week ago, thinking I'd
hear by now from E. Boyd about the catalogue
setup - (illustrations) Since I have not I
will send my check along - if adjustment is
necessary it can be done later -
