

T405

Dear Laura:

Mr. Wilkerson of "Woman's Day"
has sent me 16 of the color trans-
parencies you made. They are
so good & hope, ~~if~~ ^{if} W. Day ever
does the projected article, that their
color will be as close -

Thank you for your fidelity to
the work, and appreciation
of your skill.

The show was satisfying in
every way - and, old friend,
we are glad you had a share
in it -

Affectionately
Rebecca James
