Dear Miss Gilpin,

We are very happy with the photographs, especially the ones of Nancy alone taken at your house.

We asked you to make one 8 x 10 for the Grooms parents because they asked specifically for one of that size. You used the one that had the Chinese painting in the background, cutting off some of the top and bottom of the smaller print to

make the face larger proportionally.

We like the larger print so much that ~~we~~ we would like to have one of them for ourselves. Would it be possible for you to make one of them for us even at this late date?

I enclose a check for the prints we have received.

Our whole visit in Santa Fe was an enjoyable one for us all. Our chance to meet and talk with you is one of our pleasant memories, and we are proud and pleased to have your lovely photographs of Nancy.

Sincerely yours  
Anna Lavatelli.
