Dear Miss Gilpin:

Several weeks ago I put in a request that our purchasing department order from you 35 of the 70 slides you made of Mr. Girard's "Nativity" exhibition at the International Fold Art Museum in Santa Fe.

I hope you have received the order from our purchasing agent and that you have proceeded to have duplicates made.

I am anxious to get the first set of 35 and to order the second set in order that I can use them in our several classes at the University.

Sincerely yours,

Alexander Masley
