Miss Laura Kilpin:

I had the date
of 12-10-63 arranged for our meeting
but it is not post.

My travel schedule indicates that
I am to be in Los Angeles in February
and right after I return from there
I leave for Chicago. From Chicago, I
go to Wisconsin for seventy five days.

I am not occupied between now and
Christmas if you would want set another
date. I need to get two more colored
sands but this will take a short time to
obtain. My pick up is still in the repair
shop with a \$55. bill attached but I don't know
when it will be released.

We have had eight deaths and two illnesses
in the family and it has taken a lot of time &
money to keep up with expense. I am not
occupied in January either so please notify me
when you will want to come. I have a
hogan ready for you.

Sincerely yours

Billie Chae Norton.
