Dear Miss Gilpin:

Mr. Wilkinson asked that I drop you a note giving you a price of \$250.00 for the photographs of the Alexander Girard garden. Of course, also include your expenses and film cost.

By the way, in order to facilitate the processing of bills, will you please address them to Fawcett Publications, Fawcett Place, Greenwich, Connecticut (but mail them to me here in New York for approval of payment).

Many thanks.

Sincerely,

Jeanne M. Widmayer
