Dear Laura:

Just a note to let you know that I have your letter and am looking forward to seeing the pictures which we can use in the Utah show. You failed to let me know what arrangements we make re fee or what not.

As presently planned, the Utah book will be out in October of 1964. How does this fit into the schedule for your own volume? I doubt, however, that we would want to use the Summer Hogan picture unless it could be identified somehow regionally. More later when I can come up for air.

Yours,

Mitchell A. Wilder
