Dear Laura:

Thank you for your letter of February 18th about the photographic work done at the time of the Yucatan Expedition. The Foundation is reluctant to spend any more money than we can help on this unfortunate operation, but if you will come in the office some time, we can talk it over and decide just what to do. I do think that the obligation to Dr. Margain should be fulfilled if only on a minimal basis.

Best regards.

Sincerely yours,

Parker Wilson
President
