Dear Miss Gilpin,

Your name was given me by several people in Colorado Springs as a possible owner of a painting by Charles Craig. I am attempting to put together a volume about Mr. Craig and I am looking for illustrations for this work.

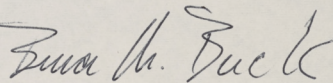

If you do own a painting by Charles Craig, would you allow a photograph to be reproduced for publication? If so, I would appreciate it greatly if you would send a black and white photo which would be suitable for reproduction. I will leave it to your judgement as to the quality of the photograph.

I am enclosing a form which would allow me to reproduce a work. If you would sign this form and enter the title and give the measurements to the painting, this would aid my labors immeasurably.

Thank you for your attention to this matter

Sincerely yours,

Bruce M. Buck
