Dear Sirs:-

Several months ago Mr. Meigs requested me to send me two prints each of photographs of Bernique Wallace, and Randall Davey. These went off to you at that time, but as I recall, Mr. Meigs gave me two addresses, one for the prints and one to which to send the bill.

I have just seen Mrs. Wallace, and she has given me this address as I have never received payment for the publicity prints. Doubtless I had the wrong address.

Sincerely yours,

To publicity prints, Wallace & Davey \$20.00
