Dear Mrs. Gottlieb,

The print is ready for
you and I will pack and ship it whenever
you are ready for it.

I looked for you at the commencement at
the Institute, but could not find you. I
gave Mr. Nash your message. He made a most
excellent address to the young Indians. It
was a most interesting affair.

I hope the print will give you pleasure,
and be sure to come around when ever you
come to Santa Fe. My best wishes to the
Wolles,

Sincerely yours,
