P.O.Box 338
Scottsdale, Arizona.

Dear Mr. Backwe;;:-

Your letter was awaiting me when I returned a few days ago from a trip to Colorado. I shall be glad to make the photographs for you as outlined in your letter. I have done a good many items of this sort over the years.

My usual rate per photograph including one 8x10 prints is \$10. If I can make as many as ten at one time, the rate would be \$80.00 ~~for~~ 20, \$150. This is for carefully made and lighted originals and best quality prints, guaranteed.

In about two weeks I will be going over on the Navaho Reservation for a last trip on a book long over due. I will be gone possibly two weeks. I could do these before I leave if you so decide or not until October if you wish them later.

I have talked to Mrs. Boyd about this work, but have not yet seen your magazine. I will be seeing Dr. Kold to-morrow about another job and will ask to see his copy.

Thanking you for your enquiry,
