Dear Mr. Huffman:-

Herewith is a negative and a sample print for a mural enlargement. Specifications as follows;- paper Medalist G or similar. Tonal values as per the enclosed print, size 52 inches by 72 inches. Keep full length of print and use a slight crop at the bottom if necessary. The print to be mounted flush, no moulding.

Ship the completed mural to

MR. JAMES McGRATH
INSTITUTE OF AMERICAN INDIAN ARTS
CERRILLOS ROAD
SANTA FE, NEW MEXICO.

Send the bill to me. I will bill adding my work. Sorry for the necessity to crop from the original negative but there were many difficulties involved, including wind and a coming rain storm. I had to use too deep a lens hood with a short lens. In making the enclosed proof, I gave added time to the sky.

Very truly yours,
