Dear Mrs. Jamieson:-

My apology to you and Mr. Wildschut. I did not mean to be so long in sending this letter. The days just arent long enough and I have been working every spare moment on my Navaho book. It was a great pleasure to see you again and to meet the young man. I am sure this trip must be a great inspiration to him and I hope his future work will benefit. I am sure the the West Coast photographers have been a big help to him. I am happy to enclose a letter to his school.

What is the weather like at Carmel in January or February? I like to think that perhaps Miss Forster & I could come out. When any plans materialize, I shall write again.

With best wishes to you both,

Sincerely yours,
