Mr. Bob Meek,
955 Camino Santandar,
Santa Fe, N.M.

Dear Bob:-

As requested by Mr. Koehler I am enclosing a check made out to you for \$75.00 for the June payment on the house. This incredible delay on finishing up this business is distressing. It is now over a month. The delay is in the abstract office, and they have now assured us that we will have the papers next week. If there should be another delay, I will send you another check, but we will know now in a few days.

Sincerely
