

Miss Mabel Morrow,
Santa Fe, N.M.

Dear Miss Morrow:-

At the recent October meeting of the Board of Trustees of the Indian Arts Fund, You were unanimously elected to the Board to fill a recent vacancy. We are all very much pleased to have you with us, for we are still a collecting organization. We have four meetings a year, and these are usually interesting meetings.

If you will honor us with your services, I should like to add you to our committee for the costume collection. Your knowledge will be invaluable. I shall be calling a meeting of this committee very soon to plan out what we need to do to fill up the gaps.

This brings the best wishes of the rest of the board and myself,

Cordially Yours,

Laura Gilpin, Chairman
